

Monarch Beach Club Murals

Location: The Monarch, 4000 N Drinkwater Blvd, Old Town Scottsdale, AZ

Client: Monarch Beach Club

Year: 2025

In February 2025 Brigitte painted two murals for the Monarch Beach Club, the pool club at The Monarch hotel in Historic Old Town Scottsdale. Her studio announcement describes the commission as a vivid portrayal of Arizona's natural beauty and unique botanicals, made to lift the hotel's poolside ambiance.

The project ran on a tight deadline, so the work had to be efficient: design approved, walls prepped, and both murals delivered inside the month. It is the kind of schedule her classroom years trained her for.

The property has since changed flags after a major renovation, as Old Town hotels do. Project photography for this page is on its way from the studio archive.

"This month I had the opportunity to paint two murals @monarchbeachscottsdale. The project had a tight deadline so work had to be very efficient."
